*Congratulations on your acceptance to
OHSU's Internal Medicine Residency Program!*

Moving to a new city can be overwhelming! We would love to meet with you to discuss your housing needs. Portland has many great neighborhoods that are convenient to "the Hill" (what we call the steep hill where OHSU is located). If you are considering buying a home, we can:

- First and foremost, treat you to a VooDoo Doughnut (iconic here in Portland);*
- Provide you with information about Portland's housing market;*
- Give you an idea of what your money can buy;*
- Connect you with local lenders — there are several loan programs that are specially tailored for doctors;*
- Give you an overview of the different characters and qualities of the various neighborhoods Portland has to offer.*

Please let us know if you would like us to email you our Guide to Portland's Neighborhoods. Even if you are not ready to buy, we would be happy to discuss your different housing options – Living Room Realty offers tenant placement services as well.

We are passionate about Portland and are dedicated to outstanding client service. Please do not hesitate to contact us as you begin to consider your move. Check us out at www.houselovepdx.com!

Congratulations again – we wish you all the best!
