

# FNA (Fine Needle Aspirate) Orders

Fine Needle Aspirate is a new Order.

## Find the Order

1. Go to **Manage Orders** from the patient activities:

The screenshot shows the Epic EMR interface for patient Test, Christmi. The 'Manage Orders' window is open, displaying a list of active orders. The 'Orders' section is highlighted, and a red arrow points to the '+ New' button. The interface includes a search bar, a patient summary, and a list of orders with 'Modify' and 'Discontinue' buttons.

2. Under the **Orders** section place the lab order as **FINE NEEDLE ASPIRATE [LAB102653]**

The screenshot shows the Epic EMR interface for patient Test, Christmi. The 'Manage Orders' window is open, and the 'Orders' section is active. A search for 'fine' is entered in the search bar, and the result 'FINE NEEDLE ASPIRATE - type: Lab, code: LAB102...' is highlighted in a red box. The interface includes a search bar, a patient summary, and a list of orders with 'Modify' and 'Discontinue' buttons.

3. If order is not on personal preference list, check on **Facility List**:
