## Commute options

FOR Q2.1: To see how this survey defines the below options, see definitions here. This will open a new browser window. Return to this window to continue the survey. If you used more than one method, mark ONLY the ONE in which you traveled the farthest.

### Q2.1 How did you travel to work or telework LAST WEEK?

Sunday      Monday      Tuesday      Wednesday      Thursday      Friday      Saturday

Drive alone  
Transit  
Carpool  
Telework  
Drop off  
Bike  
Scooter  
Vanpool  
Walk  
Took Day Off For: Compressed work week (full time schedule is under 5 days)  
Took Day Off For: Other reason (regular day off, etc.)

Display This Question: If Q2.1 = Drive alone  
Or Q2.1 = Carpool

### Q2.2 Did you drive an electric vehicle to campus last week?

Yes  
No

Display This Question: If Q2.1 = Carpool  
Or Q2.1 = Vanpool

### Q2.3 If you carpooled or vanpooled to work in your answer above, how many people were in the car or van? (include yourself; mark the best ONE.)

▼ 2 ... 10

Q2.4 As needed throughout the rest of the census, if you use a scooter (types legal on bike paths) select bike. If you vanpool, select carpool.

FOR Q2.5: Select all that apply. If your choices change seasonally, choose your best weather option.

### Q2.5 What travel modes did you regularly take previously and/or expect to regularly take in the future?

2021 2022 2023 2024

Telework

Drive alone

Carpool

Drop off

Bike

Walk

Transit

I was not commuting to OHSU at that time

### Q2.6 If your current commute option and the option you anticipate you will be using in the future are different, please select reasons that might apply to your change of commute.

Changes to OHSU programs (commute programs beginning, changing or ending)

Changes in transit service (increase or decrease)

Change of access to personal resources (personal vehicle, personal bike, etc.)

Change of home location

Change of work option to telework or return to onsite

Change of work shift or site

Personal needs or preferences

Feel free to provide more information here. This field can remain blank.

---

### Q2.7 How many miles do you live from your worksite?

▼ less than 1 mile ... 20 or more miles

FOR Q2.8: 1 means this is the primary reason you are choosing your current commute. 8 means this is not a priority in your commute choice (this may still be important to you outside of your commute). Click and drag the rankings to your preference.

### Q2.8 Rank how the following affect your current experience commuting or teleworking.

\_\_\_\_\_ Environment impact

\_\_\_\_\_ Cost

\_\_\_\_\_ Speed

\_\_\_\_\_ Exercise

\_\_\_\_\_ Mental health

\_\_\_\_\_ Safety

\_\_\_\_\_ Comfort

\_\_\_\_\_ Family or personal needs

## Commuting onsite

FOR QUESTION 3.1: If you telework, this would be the most common trip when not teleworking. If you use more than one mode in a one way trip (bike + transit, drive + park and ride, etc.), enter all modes in a single trip on the same row. If you only commute via one method, you may leave the second most common trip fields blank.

Display This Question: If Q2.5 [ 2023 ] (Count) > 1 Or If Q2.5 != Telework [ 2023 ]

### Q3.1 How many miles ONE WAY do you travel by each of your commute options?

Drive alone	Carpool	Transit Bike	Walk	Drop off

Display This Question: If Q1.4 = Marquam Hill Or Q1.4 = South Waterfront And If Q2.5= Telework [ 2023 ] Or Q2.5 [ 2023 ] (Count) > 1

### Q3.2 When you travel to campus, how often do you ride the Tram as part of your commute?

Rarely or never  
Sometimes  
Most of the time or always

### Q3.3 Provided the right resources and conditions, what would be your preferred options?

strongly preferred	preferred	unsure / neutral	NOT preferred	strongly NOT preferred

### Q3.4 Do you have access to any of the below?

Currently available	Previously available, but no longer	Not available

Driving: An automobile available for commuting.  
Biking: Any device legal in bike lanes and multi-use paths.  
Transit: Service near your home or a convenient Park and Ride.  
Rideshare/drop off: May be dropped off by a personal acquaintance or ride hail company.  
Telework: A role possible to perform as telework at least part-time.

OHSU cash incentives to ride transit

Display This Question: If Q2.5 = Transit [ 2023 ]

Q7.6 Do you typically use a park and ride or other offsite parking facility to connect to transit?

Yes / No

Display This Question: If Q7.6 = Yes

Q7.7 What park and ride do you use most often?

# Telework

For Q8.1: This question helps us understand the difference between how much you actually work remotely, how much you'd prefer to work remotely and how much remote work is possible in your position.

For example, you might not telework at all, could perform administrative tasks such as calls and paperwork offsite, but actually prefer working only onsite.

For a 40 hour work week: 8 hours = 20%; 10 hours = 25%. Please answer the following question by moving the slider right.

Q8.1 Roughly what percent of your time...  
Percent total of your typical work time

0 10 20 30 40 50 60 70 80 90 100

...is typically performed as telework ACTUAL

...do you prefer as telework PREFERRED

... is possible as telework POSSIBLE

Display This Question: If Q2.5 != Telework [ 2023 ] Or Q2.5 [ 2023 ] (Count) > 1

Q9.1 Are you interested in any of the following long term strategies?

Interested but do not yet use Currently use as needed

Not interested or not possible in my role

Teleworking at least part-time.

Commuting at off-peak times (10:30am to 7pm, for example).

Condensed work week (4 days of 10 hour shifts, for example).

A flexible office space that I can reserve as needed (OHSU Anywhere).

Display This Question: If Q2.5 = Telework [ 2023 ]

Q9.2 What options would you choose if telework was not an option?

Drive alone

Carpool

Transit

Bike

Walk

Drop off

I would be unable to work at OHSU
