WHAT OUR
GRADUATES
ARE SAYING
ABOUT THEIR
TIME AT
OHSU

DIETETIC INTERNSHIP

Class of 2024

JENESSA STEMKE

Degree

Dietetic Internship Graduate Certificate

Joined OHSU from...

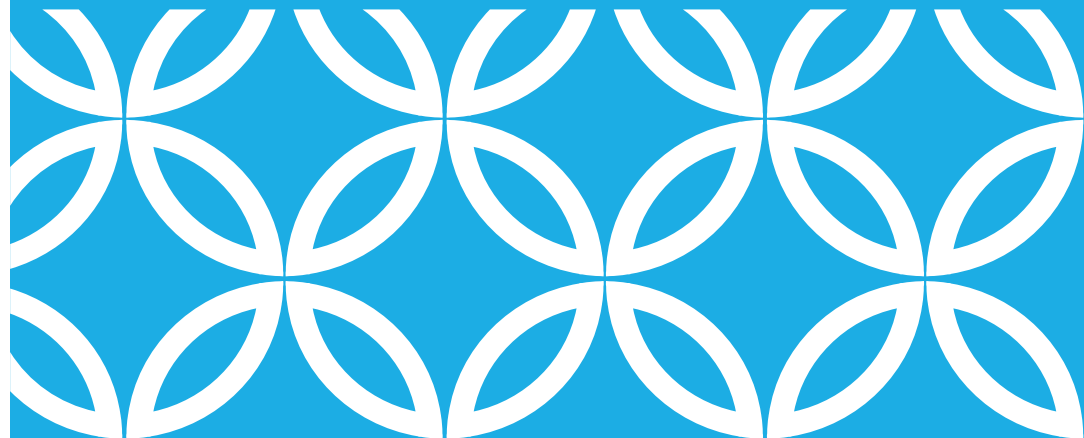

University of California Riverside (BS)

Oregon State University (DPD)

University of California Riverside (MS)

What's next?

After going to New York to see the fall colors, Jenessa plans to start a farm and integrate culinary nutrition, teach nutrition classes for the public, get involved in improving nutrition for wildland fire crews, and find a job or start a private practice helping people with GI distress, food sensitivities, or chronic fatigue.

MASTER OF SCIENCE IN HUMAN NUTRITION

Class of 2024

ELIANNA COULTON

Degree

Master of Science in Human Nutrition

Joined OHSU from...

Oregon State University

Capstone Project

A Review and Revision of the Lift UP Portland Specialized Food Box Program for Adult Residents with Chronic Conditions in Downtown Portland

What's next?

Elianna will spend the summer at OHSU taking a course on nutrition in the NICU while also studying for the RD exam. Then she hopes to find a job in the fall!

JULIA DUBE

Degree

Master of Science in Human Nutrition

Joined OHSU from...

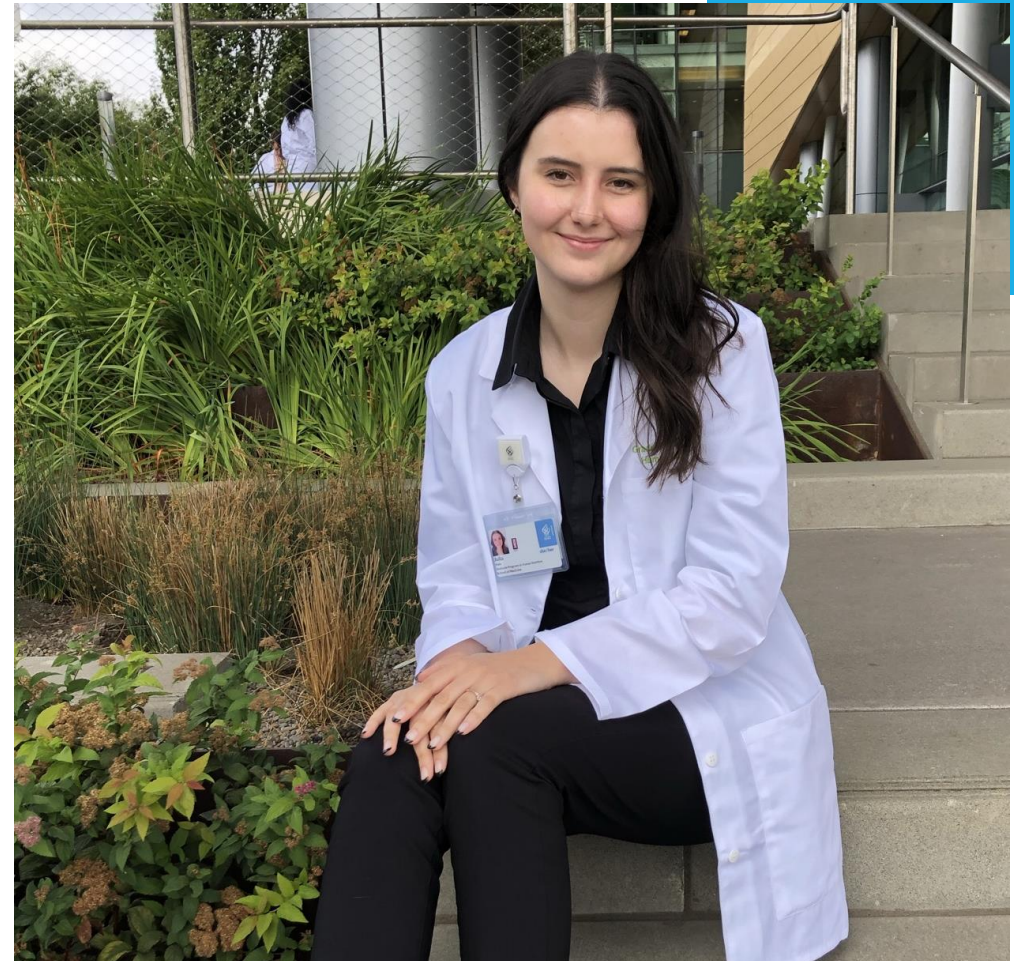

Brigham Young University

Capstone Project

Cultivating Confidence in Parents Actively Participating in Family Based Treatment for Eating Disorders

What's next?

Julia has started studying for the RD Exam and hopes to start working in the fall!

LAUREN FLETCHER

Degree

Master of Science in Human Nutrition

Joined OHSU from...

University of Vermont

Thesis Project

Comparing Dieters Seeking Weight Loss to Non-Dieters using NHANES Data from 2005-06 to 2019-20

What's next?

After passing the RD exam, Lauren hopes to find a job counseling patients on intuitive eating and building healthy relationships with food and their body. She wants to become a Certified Intuitive Eating Counselor and further her learning and research contributions by working towards a doctorate degree.

KELSIE KAN

Degree

Master of Science in Human Nutrition

Joined OHSU from...

University of California, Davis

Thesis Project

Impact of Continuous Glucose Monitoring on Blood Glucose Homeostasis and Dietary Quality in Pregnant Persons with Gestational Diabetes Mellitus

What's next?

Kelsie plans to wrap up her thesis over the summer and spend time outside biking, swimming and travelling.

ALISON LAU

Degree

Master of Science in Human Nutrition

Joined OHSU from...

Louisiana Tech University

Thesis Project

Dietary Intake and Plasma Acylcarnitine among LCHADD/TFPD Participants

What's next?

Alison wants to work in pediatrics! Her eventual goal is to work with people affected by inborn errors of metabolism.

JORDAN TUTTLE

Degree

Master of Science in Human Nutrition

Joined OHSU from...

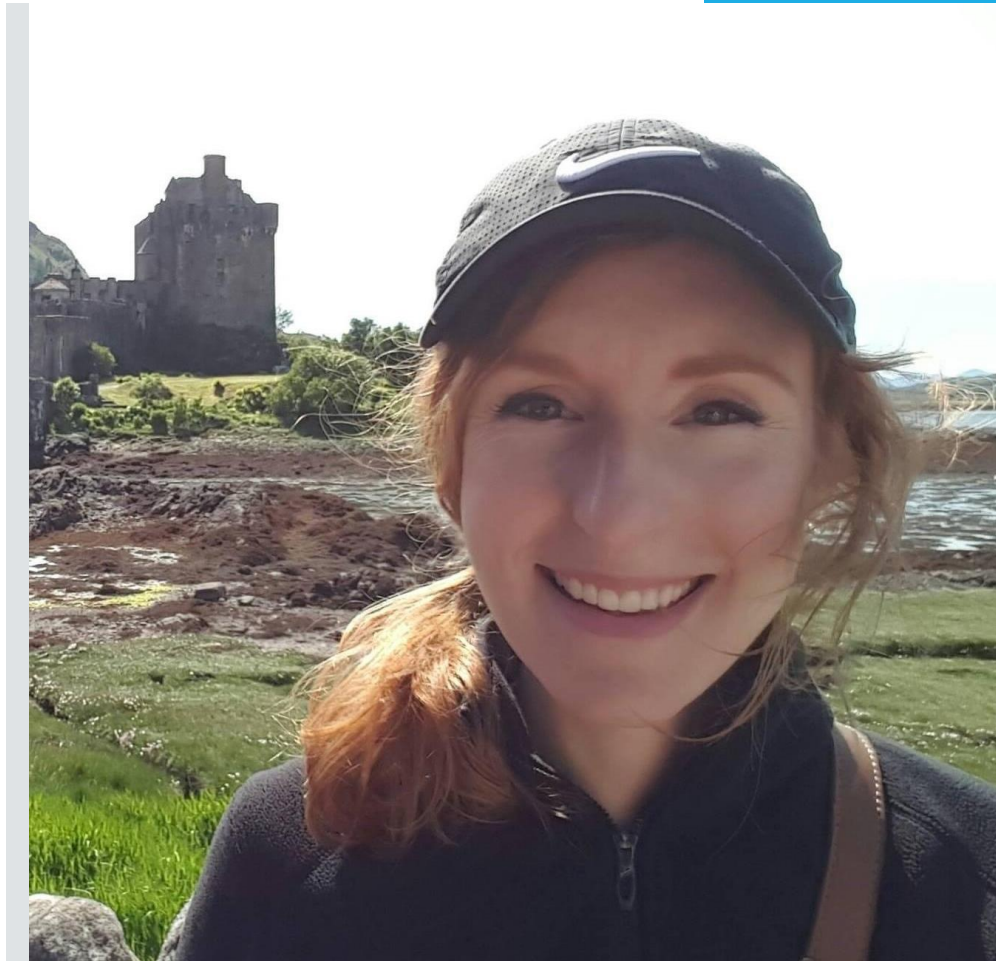

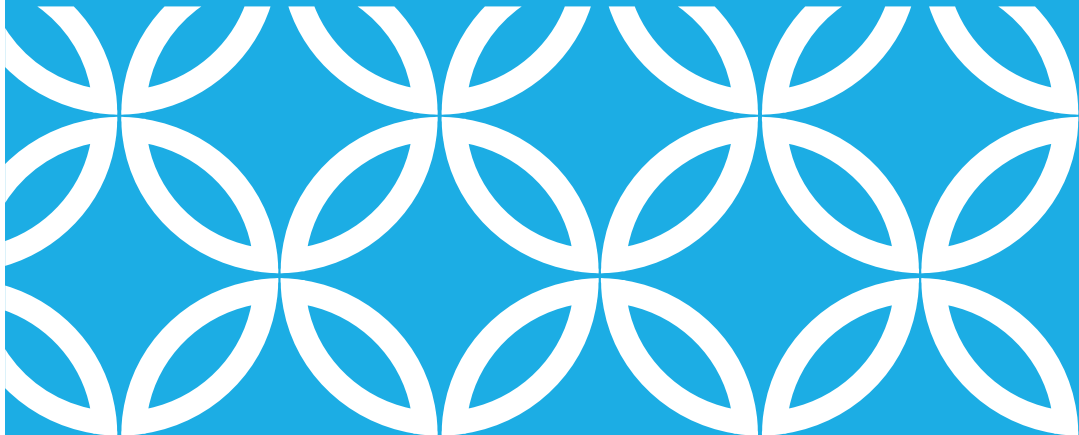

Oregon State University

Capstone Project

Improvement of Malnutrition Documentation Process to Increase Rate of Malnutrition Diagnosis and Coding

What's next?

Jordan plans to continue her career as a dietitian and continue to grow, learn, and find ways to impact peoples' lives with nutrition.

MASTER OF SCIENCE IN FOOD SYSTEMS AND SOCIETY

Class of 2024

MARYAM AHMADI

Degree

Master of Science in Food Systems and Society

Joined OHSU from...

University of Washington
