

# 24<sup>th</sup> Annual Pacific NW Prostate Cancer Conference

**Saturday, October 12, 2024**

8:00 – 2:35 pm

Registration limited to patients, their families, and the community. Healthcare industry attendance limited to program sponsors.

## WHO SHOULD ATTEND

This program is intended for patients with prostate cancer, their families and loved ones, men at risk for prostate cancer, advocates for progress against prostate cancer, and all members of the public with an interest in prostate cancer.

## CONFERENCE DESCRIPTION

This conference will provide a state-of-the-art update on surgical treatment and multi-disciplinary care of prostate cancer, the current landscape of prostate cancer, genetic testing and breakthroughs of nuclear medicine treatments, current status of knowledge about the role of exercise in prostate cancer, and more. In addition, the program will provide insights into coping with the diagnosis of prostate cancer and address sexuality in prostate cancer survivors. Highlights of recent scientific progress and a survey of current clinical trials likely to change the standard care in the coming years will be prominently featured. This program will include ample opportunities for audience participation.
