

## OHSU Internal Medicine Resident Extra-Mural Presentations (AY2024)

(incomplete capture, due to transition of tracking system)

### Society Presentations

#### American Academy of Hospice and Palliative Medicine (AAPHM) Meeting (March 20- 23 2024)

- **Poster/Abstract Presentation**

- Erynn Beeson. *Assessing Rural Disparities in Telemedicine Palliative Care Delivery for Patients with Cancer*

#### American Association for Cancer Research (AACR) Annual Meeting (April 8-9, 2024)

- **Poster/Abstract Presentation**

- Julia Levy. *Addressing Physical & Psychological Effects of Cancer Survivorship*

#### American College of Chest Physicians (CHEST) (October 8-10, 2023)

- **Poster/Abstract Presentation**

- Mason Paas. *Mixing Artifact on Imaging Misinterpreted as Pulmonary Embolism in an Adult Congenital Heart Disease Patient with Hemoptysis*

#### American College of Gastroenterology (ACG) Annual Meeting (October 22-23, 2023)

- **Poster/Abstract Presentations**

- T. Clara Nguyen. *Transfer Utilization and Outcomes of Patients with Acute Pancreatitis*
- T. Clara Nguyen. *Demonstration of Successful Treatment of High-Grade Dysplasia Post-Fundoplication*
- Shira Peress. *McKittrick-Wheelock Syndrome: Chronic Diarrhea Due to a Giant Tubulovillous Adenoma With Endoscopic Management*

#### American College of Physicians – National Meeting (April 18-20, 2024)

- **Oral Presentation**

- Cody Jackson. *Engineering Novel Adeno-Associated Virus Vectors for In Vivo Genome Editing of CD4 T Cells*

- **Poster/Abstract Presentations**

- Jake Berkowitz. *Hemoglobin Koin Presenting as Asymptomatic Hypoxia*
- Alex Chang. *Pancreatic Actinomycosis Mimicking a Neoplasm: A Case Report*
- Abharika Sapru. *Gender Inequity in Academic Promotion During the COVID-19 Pandemic at OHSU*
- Neha Agrawal. *Estimating the Time Toxicity of Immunotherapy for Esophagogastric Malignancies*

#### American College of Physicians – Oregon Chapter

- **Oral Presentations**

- Julia Levy. *White Clot/Red Flag: Heparin-Induced Thrombosis with Thrombocytosis*
- Vishvaas Ravikumar. *Hidden in the History: A Telomere Biology Disorder Resulting in Acute Myeloid Leukemia*

- **Poster/Abstract Presentations (Research)**

- Neha Agrawal. *Estimating the Time Toxicity of Immunotherapy for Esophagogastric Malignancies*
- Jack Armitage. *Improving Documentation and Usage of Patient Pronouns in Primary Care Clinic*
- Ellen Clark & Sophie Goldman. *Optimizing the Time of Cholangitis Diagnosis to ERCP: A Quality Improvement Study*
- Bryton Davis. *Identifying Ways to Improve Enrollment in the Lung Cancer Screening Program at the Portland Veteran Affairs Medical Center*
- Cody Jackson. *Engineering Novel Adeno-Associated Virus Vectors for In Vivo Genome Editing of CD4 T Cells*
- Gabe Monti. *Patients are More Likely to Return FIT Provided by an Automated Program Compared to Those Provided by Clinic Staff*
- Abharika Sapru. *Impact of Concomitant Surgical Interventions on Outcomes of Septal Myectomy in Obstructive Hypertrophic Cardiomyopathy*
- Abharika Sapru. *Gender Inequity in Academic Promotion During the COVID-19 Pandemic at OHSU*
- Sarah Svetec. *A System to Describe Expected Treatment Toxicity from a Community Cancer Institute*
- Virginia Tan. *Effect of Sirolimus on Vascular Malformations in Adult Populations*

- **Poster/Abstract Presentations (Clinical)**

- Colin Bartz-Overman. *Mitral Annular Calcification: A Rare Cause of Thromboembolic Stroke*
- Ellen Clark. *A Smoldering Case of Acute Bowel Ischemia*
- Ellen Clark. *Weighing the Risks in a Complex Hemobilia Case*
- Grant Coan. *An Atypical Cause of Abdominal Pain and Gastrointestinal Bleeding: Hepatic Artery Aneurysm – Clinical Presentation & Management*
- Grant Coan. *Exudative Pleural Confusion: A Case of Recurrent Pleural Effusions in a Patient with Rheumatoid Arthritis*
- Natalie Craig. *The Vitality of Early Action in Acute Liver Failure: A Case of HSV-1 Hepatitis*
- Charlotte Cronenweth. *Masked by the Pandemic: An Unexpected Etiology of Decompensated Heart Failure*
- Bryton Davis. *Development of Atrioventricular Block in a Patient with Enterococcus Faecalis Bacteremia*
- Corbin Edmondson. *ANCA-Negative Eosinophilic Granulomatosis with Polyangiitis-Associated Myocarditis*
- Bruce Gregoire. *Dialysis for Severe Hyperglycemia and Acidosis in Diabetic Ketoacidosis*
- Bruce Gregoire. *An Atypical Presentation of Syphilis*
- Bettie Kareko. *From Skin to Heart: The Aggressive Coagulase-Negative Staphylococcus Lugdunensis Causing Multivalvular Infective Endocarditis*
- Pristine Mei. *Management of Electrical (VT) Storm*

- Gabe Monti. *Bovis in the Blood Might Mean Cardiac Surgery*
- Seli Norgbe. *Under the Bandage*
- Dylan Rudd. *Under Pressure: A Case of Systemic Capillary Leak Syndrome and Monoclonal Gammopathy of Undetermined Significance with Pulmonary Arterial Hypertension*
- Sarah Svetec. *Hematological Havoc: Acute Leukemia with Unexpected Hemorrhage*
- Adam Urback. *Dieulafoy Lesion in the Fourth Portion of the Duodenum in a Patient with Chronic NSAID Use – A Case Report*

#### **American Heart Association (AHA) (November 10-12, 2023)**

- **Poster/Abstract Presentation**

- Raffael Mishaev. *Stent Length as a Predictor of Target Vessel Revascularization in Patients Treated with Drug-Eluting Stents.*

#### **American Society of Hematology (ASH) Annual Meeting (December 5-10, 2023)**

- **Oral Presentation**

- Emmanuella Oyogoa. *Clinical Outcomes of Patients Referred for Asymptomatic Neutropenia: A Focus on Racial Disparities in Hematology.*

- **Poster/Abstract Presentation**

- Hannah King. *Hematology Electronic Consultation as a Means for Effective Management of Iron Deficiency Anemia*

#### **American Society of Clinical Oncology (ASCO) Annual Meeting (June 1-2, 2024)**

- **Oral Presentation**

- Emmanuella Oyogoa. *Access and Equity to Cancer Clinical Trials in Oregon*

#### **American Society of Echocardiography (ASE) (June 16, 2024)**

- **Poster/Abstract Presentation**

- Bryton Davis. *Myocardial Contraction Fraction Predicts Worse Outcomes Among Patients with Heart Failure and Preserved Ejection Fraction: An Analysis from the TOPCAT Trial*

#### **American Thoracic Society (ATS) Annual Meeting (May 18-21, 2024)**

- **Poster/Abstract Presentation**

- Chris Eden. *A Case of Pulmonary Embolism Cardiac Arrest Treated With Tenecteplase in Between Pre- and Postcontrast CT Angiogram Imaging and Subsequent Use of a Percutaneous Right Ventricular Assist Device*
- Caroline McCormick. *A Case of Acute Eosinophilic Pneumonia Secondary to Daptomycin*
- Dylan Rudd. *A Case of Systemic Capillary Leak Syndrome and Monoclonal Gammopathy of Undetermined Significance with Pulmonary Arterial Hypertension*
- Grace Jung. *Validation of The ProVent 1-Year Mortality Prediction Model in ARDS Patients Receiving at Least 7 Days of Mechanical Ventilation*
- Dylan Rudd. *A Case of Autoimmune Pulmonary Alveolar Proteinosis Initially Misdiagnosed as Lipoid Pneumonia*
- Ravneet Waraich. *Pathogen-Level Differences in RALE Score Among Patients with Hematologic Malignancies and Respiratory Viral Infection*

## **Alliance for Academic Internal Medicine (APDIM)**

- **Poster/Abstract Presentation**

- MJ Rice. *Addressing Social Determinants of Health Using a 2-Year Global Health Program for Internal Medicine Residents*

## **Heart Rhythm Society (HRS) (May 18-19, 2024)**

- **Poster/Abstract Presentation**

- Raffael Mishae. *Recalled but Responsive: Easier Extraction of Recalled Leads*

## **International Society of Amyloidosis (ISA) (May 27-29, 2024)**

- **Poster/Abstract Presentation**

- Bryton Davis. *Association Between Patient Characteristics and Serum Neurofilament Light Chain Level in Patients with Transthyretin-Related Amyloid Cardiomyopathy*
- Bryton Davis. *Utilizing 124I-ivuzamitide PET/MRI to Elucidate the Relationship Between Renal Dysfunction and Amyloid Deposition in Transthyretin Amyloid Cardiomyopathy*
- Bryton Davis. *Characterizing Renal Involvement in Light Chain Amyloidosis on 124I-ivuzamitide PET/MRI Imaging*

## **Digestive Disease Week (DDW) (May 19-21, 2024)**

- **Poster/Abstract Presentation**

- Gabriel Monti. *Delays in Diagnostic Colonoscopy After Positive Fecal Immunohistochemical Testing During the COVID-19 Pandemic*
- Gabriel Monti. *BDTOK: A Cross-Sectional Qualitative Analysis of Social Media Videos About IBD*

## **Society of General Internal Medicine (SGIM) – National Meeting (May 15-17, 2024)**

- **Poster/Abstract Presentation**

- Nicole Wong. *Improving Stimulant Prescribing Practices and Safety in a Large Urban Primary Care Practice*

## **Society of General Internal Medicine (SGIM) – Northwest Regional Meeting (March 7-8, 2024)**

- **Oral Presentations**

- Henry Slone. *The Longest Nights of the Year are in December* (Poem)
- Henry Slone. *How to Start Talking About Grief in Medicine* (Chalk Talk)
- Doug Rice. *Fostering Connection in the Clinical Encounter*

- **Poster/Abstract Presentation**

- Emma Fenske. *The Individual Behind the Photo*
- Michael Oldenburg. *Trauma-Informed Care - Results of a Pilot Curriculum at a Large Academic Internal Medicine Residency*
- Mason Paas. *DRESS Syndrome Complicating Vancomycin Therapy*
- Alexis Garcia Coan. *Pre-Operative Management in Acute Intermittent Porphyria*
- Alexis Garcia Coan. *Direct Post-Operative Admission to Hospital-at-Home to Avoid Long Length of Stay*

- Alexandra Malesz. *Acute Hypoxic Respiratory Failure in the Setting of Hypertrophic Cardiomyopathy*

**Society of Hospital Medicine (SHM) Annual Meeting (April 12-14, 2024)**

- **Poster/Abstract Presentation**

- Vishvaas Ravikumar. *Comparing Prompting Strategies to Reduce Lab Utilization Among Medicine Residents*
